

Stay Tuned is an acoustic string band using traditional bluegrass instrumentation; guitar, banjo, mandolin and acoustic bass. They have delighted audiences throughout the Northwest at music festivals, community events, venues and private engagements. Stay Tuned writes their own material that encompasses a variety of musical styles. Their writing spans bluegrass, folk, country and western swing. This four piece group of multi-instrumentalists and singers play refreshing original acoustic music. In a performance you'll hear hard driving bluegrass, bluesy ballads, upbeat swing, country, humor and exotic sounding instrumentals. Alan Ehrlich, Pete Goodall, Terry O'Brien and Mary Sackmann make up Stay Tuned. To see and hear more, you can find them on the web at: www.staytunedbluegrass.com
